MEMORANDUM FOR: Administrative Officer, IO Division 25X1A

SUBJECT: ([redacted]) - Staff Agent with [redacted]

25X1A

1. Reference is made to your memorandum of 6 April 1954 on the same subject. 25X1A

25X1A

2. The files show that [redacted] signed a contract effective 13 December 1952 making him a staff agent at a salary of $11,500, Grade GS-15. This was slightly more than he had been making at the State Department. Apparently he was engaged as a staff agent rather than a contract agent at his own request, since under the regulations and policies existing at that time he thought it more advantageous from the standpoint of retirement. Since that time, he has enjoyed the emoluments and security afforded Government employees.

3. It would not be proper now to nullify the charges against [redacted]'s account by allowing him to resign retroactively. Accrued rights of the Government may not be thus relinquished.
